*'We have checked the financial books of the European IFYE Alumni and reviewed that the balance sheet of the accounts is correct. We checked every sheet with the result and our conclusion is that the books are held in a very correct way. In our opinion, the financial statements give a true and fair view of the financial position and the operations of the European IFYE Alumni from the 1<sup>st</sup> July 2012 to the 30<sup>th</sup> June 2015.
