What type of meetings or events have you held in the last year?	We had two meetings on the fall 2016 for members. First was a one night stay over in a small summer cottage village, 25 people were present. Second was a theatre and dinner stay over in a town, 22 members visited. In the spring 2017 we had annual meetings with 13 members.

People were really interacting and making new friends. We also shared out most memorable IFYE moments by the campfire.

<p><i>What do you think might encourage <b>your</b> members to attend the IFYE reunion?</i></p> 	<p>We don't really have that problem 😊 Since we're a bunch of young people that advertise the conference with pictures and stories, there are always newcomers. I think it helps if you make it known that there are A LOT of young people - otherwise new participants might be scared that it's just an "old-people's party"</p>
